Who Are Sport4Kids?

Running for over 10 years across the UK, Sport4Kids is a revolution in children's sports education delivering the most advanced sports education, care and coaching programs in the world today.

S4K delivers education and childcare based programs in Nurseries, Schools and Holiday Camps, catering for children from 18 months to 16 years.

With an outstanding OFSTED record and experienced staffing base, S4K ensures every child has a safe, enjoyable and memorable experience every time.

“

So pleased with the experience both my sons have had with sport4kids, the coaches are great with them and I always feel comfortable leaving them before school.

WHAT'S ON OFFER?

AFTER SCHOOL CLUB

.....

The S4K After School Club is an extension of the school day, aimed at supporting working parents, but also to giving children the chance to enjoy a range of physical and mental well-being activities from team games to Dance and Yoga. Every day is different, supported by S4K coaches teaching sports and fun physical games to children, mixed with activities designed to help children relax and unwind.
